

DONALD J. TRUMP

November 11, 2021

The Honorable Rand Paul  
United States Senate  
Washington, D.C.

Dear Senator Paul,

Thank you for talking to me about the need to privatize Fannie Mae and Freddie Mac, two great American companies, and about the question the Supreme Court has raised about what I would have been able to accomplish if I had been able to fire the incompetent Mel Watt from day one of my Administration.

Another Obama/Biden scam in legal trouble was when they allowed the Federal Housing Finance Agency (FHFA) to steal the retirement savings of hardworking Americans who had invested in Fannie Mae and Freddie Mac. In a recent ruling, the Supreme Court has recognized that my Administration was denied the ability to oversee the work of FHFA in violation of the Constitution. The Supreme Court's decision asks what I would have done had I controlled FHFA from the beginning of my Administration, as the Constitution required. From the start, I would have fired former Democrat Congressman and political hack Mel Watt from his position as Director and would have ordered FHFA to release these companies from conservatorship. My Administration would have also sold the government's common stock in these companies at a huge profit and fully privatized the companies. The idea that the government can steal money from its citizens is socialism and is a travesty brought to you by the Obama/Biden administration. My Administration was denied the time it needed to fix this problem because of the unconstitutional restriction on firing Mel Watt. It has to come to an end and courts must protect our citizens.

Sincerely,
